

Quality Policy

Prestige Network Ltd is committed to providing first-class Translation, Interpreting, Language Consultancy and Communication services that meet or exceed candidate and customer requirements.

We strive to achieve an excellent level of repeat business through delivering quality services and maintaining our reputation by achieving high levels of customer satisfaction.

To guarantee high levels of performance, quality and customer satisfaction and to ensure that year-on-year improvements and growth are maintained, Prestige Network Limited operates a business quality management system that meets the requirements of ISO 9001:2015.

We believe that quality is everyone's business and as such all personnel have a responsibility to ensure that quality is part of all the work they do.

Prestige Network is committed to enhancing the abilities of all staff to support the effective operation of the Quality System and the achievement of Quality Objectives.

Compliance, risks and improvement is monitored by regular internal audits and is maintained by timely implementation of preventative and corrective action.

Through the operation of the QMS we are committed to delivering a quality service, on time, to agreed budget and therefore profitable.
